Old Business

- Survey is ready for launch - planned launch early next week
- Discuss scheduling public hearings
Motion: S Lawrence, seconded M Thornton
Schedule our two public hearings for Jan 9 at the BoS meeting, and Jan 16 at 5pm
- M Thornton & S Lawrence: We have made some of our updates to milford.nh.gov, and are meeting with town staff early next week to get the remainder done.
During a 28 December 22 meeting with Bruce Dickerson [Milford IT] we have tacit approval to maintain our web pages for the Town website.
This is pending approval by Chris Gentry [GTM Manager & WebMaster].

Our Milford Energy Advisory Committee / Milford Community Power Committee still needs one full member and two associate members. Please consider volunteering to help contain energy costs like Milford.

New Business

- [Review website content:](#)
 - Changes to MEAC page
 - Addition of Community Power page
- Interview of Milford resident Eric Fisch for the position of full member. His term, if approved, would expire in 2025. All of our positions expire in 2024. For the health of our Committee, we will need to stagger future members' dates of expiration.

Adjourned at 6:40 pm
