Re: Milford Employee Healthcare Benefits Work Session

### **Purpose:**

October 14<sup>th</sup>, Karen Blow, Human Resources Director, provided the Select Board members a summary of the municipal healthcare benefits proposals submitted by Health Trust and New Hampshire Interlocal Trust to the Town for consideration for 2025. At the conclusion of the discussion, the Select Board scheduled a work session for October, 23<sup>rd</sup> to allow members the opportunity to further vet each proposal, better understand the different programs, and seek additional information from each company.

Both companies will be present at the scheduled work session to review the submitted proposals and programs with Select Board. Each provider is scheduled for one (1) hour each. Attached, please find the summary document previously provided by Ms. Blow and the two proposals submitted by Health Trust and New Hampshire Interlocal Trust for review and consideration.

### **Board Action:**

No action needed by the Select Board at this work session. The Select Board should utilize this work session as an opportunity to become more acclimated with both proposals/programs and be in a position to render decision for a preferred healthcare provider at the October 28<sup>th</sup> Select Board meeting.
